SANITARY

Industrial Manipulators

Dalmeccan offers a range of tooling heads for the “weightless” handling of sanitary.

Simple to use, they allow the operator to move the sanitary quickly, accurately and safely throughout the working area.

These manipulators have been custom-built, with specially adapted design, dimensions and picking systems to suit the specific requirements of the users and the various environmental conditions available.

SANITARY

9715751

PMS Partner Manipulator, overhead trolley mounted, with interchangeable suction cups tooling for gripping and handling sinks having different dimensions.

0936724

Manipulator with pinch jaws covered with sponge rubber for gripping and manual rotation of WC.

0936701

Tooling with adjustable forks covered with sponge rubber for the handling of wc.

0224134

Manipulator with suction cups tooling (Venturi) for gripping and manual rotation of sinks.

9715751

Manipulator with suction cups tooling (Venturi) for gripping and manual rotation of sinks.

9918521

Adjustable forks tooling for handling WC.

0936724

Pinch jaws tooling covered with sponge rubber for handling and manual rotation of WC.

9816885

Manipulator with adjustable suction cups tooling (Venturi) for handling and inclination of sinks.

SANITARY

1037325

Manipulator with jaws tooling for gripping and rotation of bathtubs.

1360

Manipulator with interchangeable suction cups tooling for gripping and handling of sanitary with manual rotation.

9918298

Manipulator with forks type tooling for handling sinks.

0528986

Manipulator with adjustable suction cups tooling (Venturi) for gripping and manual rotation of raw sinks.

1010001

Manipulator with suction cups tooling (Venturi) for gripping and rotation of sinks.

0019253

Suction cups (Venturi) manipulator for gripping and rotation of bathtubs.

0936572

0020049

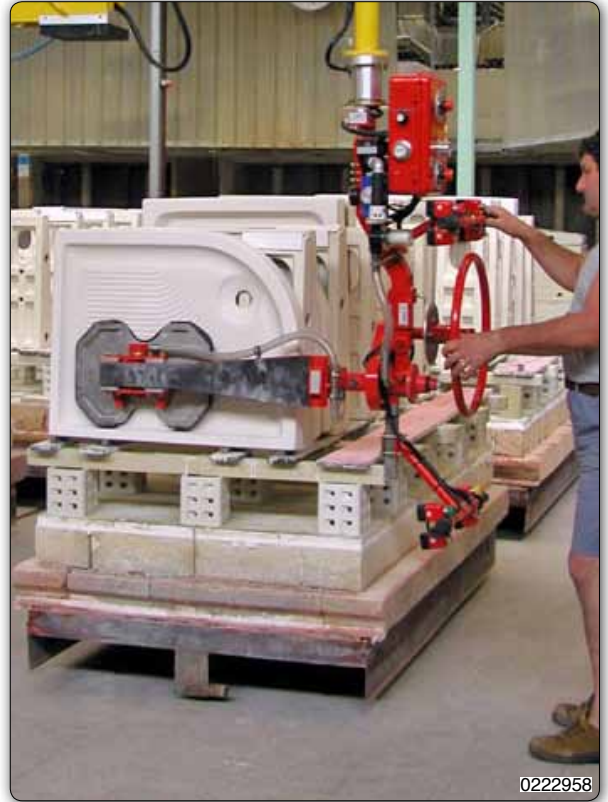

Suction cups manipulator (Venturi) for gripping and inclination of bathtubs.

SANITARY

0834342

PMC Partner manipulator, column mounted, equipped with suction cups tooling (Venturi) for gripping and manual rotation of raw shower plates.

0222958

PMF Partner manipulator, fixed overhead, with suction cups tooling (Venturi) for gripping and manual rotation of shower plates.

0324776

Manipulator with pneumatic tooling for gripping and rotation of shower plates.

0732387

Minipartner manipulator, overhead trolley mounted with suction cups tooling for handling of fiberglass shower trays.

081409

Manipulator with suction cups tooling (Venturi) for gripping shower plates.

9715751

Manipulator with suction cups tooling (Venturi) for gripping shower trays.

0529676

Manipulator with suction cups tooling (Venturi) for gripping shower plates.
